8.6.7 Checkboxes and Radios :

Check me out

Option 1

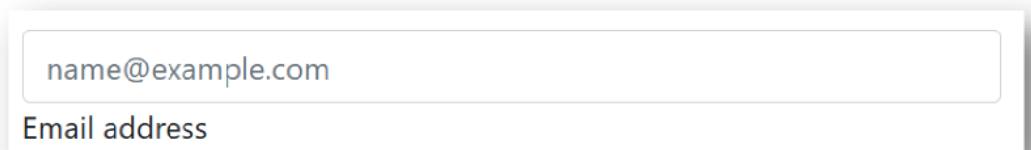

Option 2

8.6.8 Input Groups :

A screenshot of a web form showing an input group. It consists of two adjacent input fields: a smaller one on the left containing the '@' symbol and a larger one on the right labeled "Username". Both fields have a light gray background and thin black borders.

8.6.9 Floating Labels :

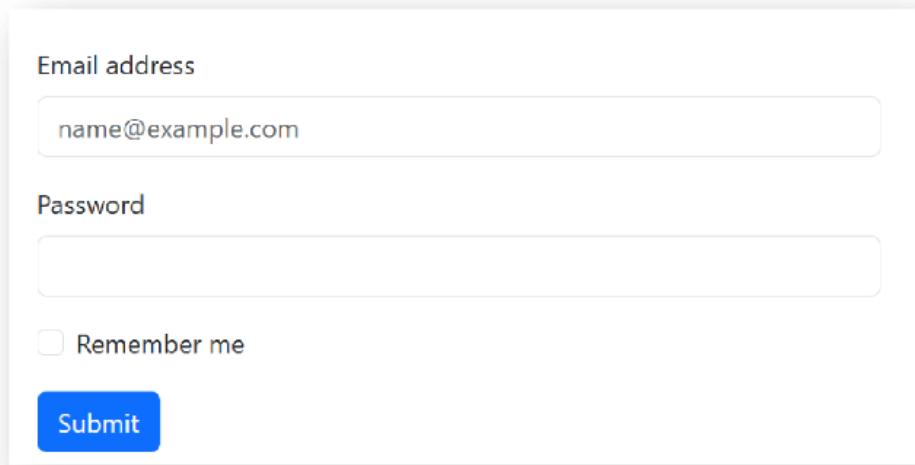

A screenshot of a web form showing a floating label. The input field contains the text "name@example.com" and the label "Email address" is positioned directly below it, overlapping the input field's border. Both have a light gray background and thin black borders.

8.6.10 Disabled and Readonly Inputs :

A screenshot of a web form showing two input fields. The top field is labeled "Disabled input" and has a light gray background. The bottom field is labeled "Readonly input" and also has a light gray background. Both fields appear to be disabled or readonly.

8.6.11 Example Forms :

A screenshot of a full example form. It includes:

- A label "Email address" above an input field containing "name@example.com".
- A label "Password" above an empty input field.
- A checkbox labeled "Remember me" followed by an empty checkbox input.
- A blue "Submit" button at the bottom.

8.7 Using Bootstrap Theme

BOOTSTRAP THEME WORKING

This page is using a Bootstrap theme.
